The aggregate limit of liability shown below is the limit applicable to the products/completed operations hazard coverage provided by **your** policy:

Products/Completed Operations Aggregate Limits \$ _____

When this endorsement is in force, the liability coverage pertaining to the Products/Completed Operations hazard is deleted and replaced as follows:

Products Hazard:

We pay for **bodily injury** or **property damage** arising out of the named **insured's** products manufactured, sold, handled or distributed on, from or in connection with the use of the **farm premises** described in this endorsement, or in connection with the conduct of any operations described in this endorsement, when conducted by or on behalf of the named **insured**. The definition of the **products hazard** is amended to read as follows:

Products hazard includes **bodily injury** and **property damage** arising out of the named **insured's** products or reliance upon a representation or warranty made with respect to those products but only if the **bodily injury** or **property damage** occurs after physical possession of such products has been relinquished to others. Products does not include vending machines, property that is rented to or placed for use of others, but not sold, or real property.

Completed Operations Hazard:

We pay for **bodily injury** or **property damage** that results from operations or the reliance upon a representation or warranty. The **completed operations hazard** applies only if the **bodily injury** or **property damage** occurs after such operations have been completed or abandoned and occurs away from the **farm premises** owned or rented by the named **insured**. Operations include materials, parts and equipment furnished in connections with operations. Operations shall be considered completed at the earliest of the following times:

- When all operations to be performed by or on behalf of the named **insured** under contract have been completed.
- When all operations to be performed by or on behalf of the named **insured** under contract have been completed.
- When the portion of the work out of which the injury or damage arises has been put to the intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

Operations which may require further service or maintenance work, or correction, repair or replacement because of any defect or deficiency, but which are otherwise complete, shall be judged completed.

WHAT WE DO NOT PAY FOR

These coverages do not apply to liability:

1. resulting from activities in connection with an *insured's business*, other than the *business* shown above;
2. resulting from the rendering of or failure to render professional services of any nature;
3. resulting from any contractual obligation, assumed, entered into or for which *you* or *your* agents and *employees* may be legally liable;
4. resulting from *your* products manufactured, sold, handled or distributed in connection with:
 - (a) the use of the *insured premises*; or
 - (b) any operation, described in this endorsement, conducted by *you* or on *your* behalf.This exclusion applies except when Products/Completed Operations is checked above.
5. claimed for the withdrawal, inspection, repair, replacement or loss of use of the named *insured's* products or work which forms a part, if such products, work or property are withdrawn from the market or from use because of any known or suspected defect or deficiency;
6. from operations in connection with the transportation of property, unless the *bodily injury* or *property damage* arises out of a condition in or on a vehicle created by loading or unloading; or
7. from the existence of tools, uninstalled equipment or abandoned or unused materials.

All other *terms* and conditions remain unchanged.
