WHAT WE PAY FOR

We pay up to the Coverage 1 Amount of Insurance shown in the Schedule for the reasonable costs:

- a. For demolition and removal of standing, undamaged portions of a covered building when required by state or municipal ordinance; and
- b. To repair, restore or reconstruct the covered damages to the covered building. The increased costs must be incurred to comply with ordinance or law governing such repair, restoration or reconstruction of a building of similar size and use intended for the same or similar occupancy.

Coverage 2 - Repair Or Replacement Of Foundations Or Underground Structures

We pay up to the Coverage 2 Amount of Insurance shown in the Schedule for the reasonable costs to repair, remove or replace foundations which are below the under surface of the lowest floor or below ground level if there is no basement, including the cost of excavations, grading or filling. WHAT WE DO NOT PAY FOR

We do not pay for:

1. More than the costs actually and necessarily incurred for demolition or the costs actually and necessarily incurred to repair or restore in accordance with ordinance or law;
2. The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination of *pollutants*, wet rot or dry rot;
3. Any costs incurred in testing for, monitoring, cleaning up, removing, containing, treating, detoxifying, neutralizing or otherwise responding to or assessing the effects of *pollutants*, wet rot or dry rot;

4. Any costs due to an ordinance or law *you* were required to comply with prior to the loss, even when the building was undamaged, and with which *you* failed to comply;
5. More than the actual cash value of loss or damage until the property is repaired or replaced with an identical or similar occupancy at the same or another premises;

All other *terms* and conditions remain unchanged.
