

## ACCIDENTAL LEAKAGE OR DISCHARGE OF AN *AUTOMATIC COOKING PROTECTION SYSTEM*

The coverage under this endorsement is subject to the *terms* contained in *your* policy.

### DEFINITIONS

The following definition applies to this policy form:

1. ***Automatic cooking protection system*** means any automated cooking protection system that includes sprinklers, discharge nozzles and ducts, pipes, valves, fittings, tanks and their component parts, pumps and fire protective mains that are all connected to and integrated with the system for the purpose of protecting only cooking equipment and cooking exhaust systems.

### WHAT WE PAY FOR

When Coverage A-Building is covered under *your* policy, *we* pay up to the Coverage A-Building amount of insurance for accidental leakage or discharge of an ***automatic cooking protection system*** to *your* covered building or structure. When Coverage B-*Business* Property is covered under *your* policy, *we* pay up the Coverage B-*Business* Property amount of insurance for accidental leakage or discharge of an ***automatic cooking protection system*** to *your* covered *business* property.

*We* pay for:

1. Loss or damage caused by accidental leakage or discharge of an ***automatic cooking protection system***;
2. Accidental direct physical loss or damage caused by collapse or fall of a tank which is part of an ***automatic cooking protection system***;
3. Accidental direct physical loss or damage to an ***automatic cooking protection system*** when damage is caused by freezing or breakage that results in accidental leakage or discharge of an ***automatic cooking protection system***; and
4. The reasonable cost of removing and replacing those parts of the building necessary to repair the ***automatic cooking protection system***.

### WHAT WE DO NOT PAY FOR

*We* do not pay for:

1. Exclusions in the Causes of Loss form(s) contained in *your* policy;
2. Failure of an ***automatic cooking protection system*** to operate; or
3. Loss or damage from freezing of water, or other liquid or substance that leaks, flows or otherwise escapes from an ***automatic cooking protection system*** if the building is vacant or unoccupied, including temporary absence; or under construction and unoccupied. This exclusion, and exclusions for Temperature Or Humidity and Weather Conditions in the Causes of Loss form contained in *your* policy do not apply to freezing of an ***automatic cooking protection system*** while contained inside of a covered building if the *insured* has taken reasonable care to maintain heat in the building.

All other *terms* and conditions remain unchanged.
